

Institutional Distinctiveness

Yuva Arohan

Yuva Arohan is a dream project of Govt. of Assam which was proposed in the budget speech of 2019 by the honorable Finance Minister of Assam. The programme is about to create entrepreneurial mindset among the students by giving them specified course module of life skill, communication skill and self belief. Udayan Learning Foundation, an NGO of Bangalore and Kamrup District administration, takes the responsibility of conducting the pilot project by including Suren Das College as academic partner along with 6 other colleges.

Vision

To foster systematically the culture of entrepreneurial mindset among the students and to give them a proper platform for expressing their entrepreneurial skills in different fields and to make them job givers instead of job seekers.

Major Thrust

The main thrusts of the programme are-

- Creation of innovative ideas in the field of rural enterprises and Agro-based industries.
- To create a vibrant local environment for nourishing entrepreneurial skill.
- To create awareness among students to develop entrepreneurial abilities.

Achievements

Our institution is one among the 7 selected colleges of Assam for conducting pilot project of Yuva Arohan. Our faculty member Mr. A.M Choudhury, Asstt. Prof. and Head, Dept. of Economics has successfully completed the pilot project along with faculties of other institutions and District Administration. 25 students of our college have successfully completed the training programme of the pilot project. The Govt. of Assam has decided to implement the Yuva Arohan project in 22 colleges of Kamrup district shortly. Our institution is in the position of role model in the project.
