9	Spot Admissions (Offline)	17 – 18 July, 2023

Message from the Principal

It is a pleasure on my part to give a warm welcome to all the fresh students of the locality and its neighbouring areas who are willing to take admission in this esteemed Institution, Suren Das College, Hajo, in the academic session 2022-23. I am equally grateful to other students who are pursuing their studies in our College. This premier co-educational institution was established on 29th August, 1979 and since its inception, the institution has left no stone unturned to get new benchmarks of excellence

in academic, socio-cultural and other co-scholastic areas and in rendering public service. This institution of higher education which is on the verge of completion of four decades occupies a leading role in teaching, learning, research and extension and it holds a place of pride among the contemporaneous institution of its kind in the entire undivided Kamrup district. At this moment, I sincerely recall and offer gratitude to the unique contribution of “Dhoparguri Satra Authority”, “Hajo 1 No. Gaon Panchayat Samabay Samity Ltd.”, the incomparable philanthropic philosophy of Lt. Suren Das and all of them who are directly or indirectly involved in setting up this institution of higher learning. Located in a place of great historical and religious importance for Panchatirtha and Poa-Mecca and by the side of Hajo-Daulasal, Mukalmua road, the college provides an ambience for congenial atmosphere and it is conducive to higher learning.

I am glad to intimate all of you that I joined in this college as Principal on August 4, 2016 and I was overwhelmed with joy by the serene atmosphere and the scenic beauty of the college on the very first day. I was equally impressed by the exemplary conduct and disciplined behaviour of the students and painstaking and industrious attitude of both teaching and non-teaching staff and it gave me moral boost to work with zeal and enthusiasm since the date of my joining in the College. The Governing Body of the college has also been trying its level best for academic and infrastructural development of the college since its establishment.

My dear students, this college prospectus is a compendium of essential information about our college. It will help you to understand the college in a better way. My appeal to the entire student community to work hard and achieve success. Hard work is the key to success in life, without hard work, goals cannot be achieved. NAAC's last third cycle accreditation with 'A' Grade will certainly pave the way for future advancement. We have already initiated the on-line admission process both in Higher Secondary, TDC Semester Course and PGDCA courses from the last year and it will certainly help all of you to take admission in a flexible way. As per the approval of Gauhati University, the institution has already started B. Sc. Course with Major in five core Science subjects from the academic session 2018-19 and its provincialized by Govt. of Assam in 2020. It also gives me an immense pleasure to inform you all that Gauhati University has granted permission for opening PG. Course in Political Science department in our college from the academic session 2019-20. It gives pleasure to mention that National Council for Vocational Training and Education, India permitted us some vocational courses. One unique course i.e. Laboratory Technician course is introduced w.e.f. 2020-21 session under GU. We are planning to start B. Com. Course in near future. We are also introducing B.C.A. course in our Institution under KKHSOU. Now let us collectively join hands together in this knowledge century to make the college a real centre of excellence in the days to come. With these few words, I once again give you a warm welcome to Suren Das College, Hajo

Dr. Hiranya Kr. Sarma
Principal
Suren Das College, Hajo
