Strategic Plan for the Year 2023-2024

1. Prepare and submit the Annual Quality Assurance Report (AQAR) within the designated timeframe.
2. Conduct academic audits to evaluate teaching-learning processes, research outcomes, and institutional performance.
3. Plan and implement extension programmes addressing local issues such as health, education, environmental conservation, and skill development.
4. Expand exchange programmes with other institutions to provide broader exposure and learning opportunities.
5. Organize events on topics like climate change, gender sensitivity, mental health, and digital literacy to foster awareness and inclusivity.
6. Conduct self-defense, yoga sessions for girl students, along with workshops on employability skills, entrepreneurship, and leadership.
7. Establish research collaborations with academic institutions, industries, and funding agencies to enhance research output and innovation.
8. Promote the use of technology in teaching, learning, and administration, including the adoption of Learning Management Systems (LMS).
9. Host seminars, workshops, and awareness programmes for students and faculty to ensure the smooth adoption of National Education Policy 2020 guidelines.
10. Conduct surveys to understand and address the socio-economic challenges of the local population.
11. Observe important days like World Environment Day, International Women's Day, and Independence Day to instill civic and global awareness.
12. Strengthen the publication of academic journal, encouraging faculty and students to contribute quality research articles.
13. Develop stronger alumni networks and encourage their active participation in institutional development.

14. To introduce programmes focused on renewable energy, waste management, water conservation, and green campus initiatives.

15. Organize faculty development programmes (FDPs), administrative training, and skill enhancement workshops for staff.
